

What is Alpha?

Alpha is a 10 week course that is open to anyone and everyone interested in exploring the meaning of life and discovering the relevance of the Christian faith.

If you've been a Christian or are wondering what Christianity is all about you are welcome to join with us as we explore together questions such as...

Who Is Jesus?

Why Did Jesus Die?

How Can I Have Faith?

Why and How Do I Pray?

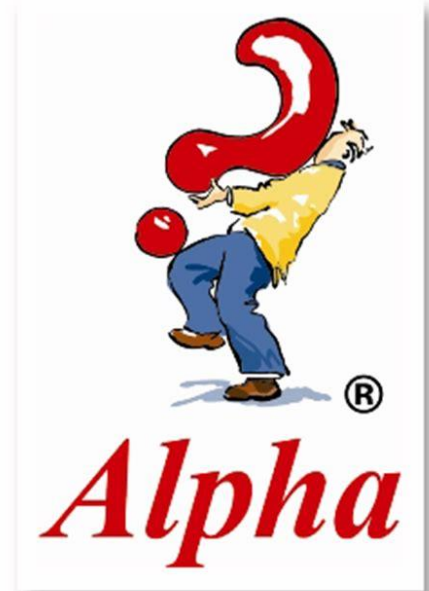

How Does God Guide Us?

Does God Heal Today ?

What about the Church?

How Can I Make the Most of the

Rest of My Life? ...and many others besides.

Why do the Alpha Course?

It's an opportunity to ask those questions that you've often thought about Life; Faith; Meaning; Purpose. It's an opportunity to listen to what others think and allow the Bible opportunity to share its response as we seek to explore the relevance of the Bible and Christian faith upon our lives today.

It's a safe space to ask questions; a space where no question is too simple, and none too provocative. So why not come and explore with us the meaning of Life!

Starting Wednesday February

3rd. 7.30pm we, at the Church of Scotland & Scottish Episcopal Church, Duns will be running this course on-line. So, you can join us from anywhere as we explore the big questions of life.

If you're interested please let us know by dropping us an e-mail to: alpha.dunsanddistrict@gmail.com
